2. A written grievance must set forth the rule or regulation claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee. The Committee shall rule on the dispute before proceeding with the hearing.
3. The Association may represent employees covered by this MOU on a grievance under the grievance procedure.
4. An Association Officer designated by the Association in writing shall be excused from regular duties without loss of compensation for such time as is necessary to attend and represent the grievant at a grievance hearing, beginning at the first level of supervision.

- (a) The grievant and/or Association representative shall discuss the grievance with the grievant's immediate supervisor before a written grievance may be filed.
 - (1) If the grievance is not settled through this discussion, it either may be discussed with the next higher supervisor or a written grievance may be filed with the grievant's immediate supervisor. The **Fire Chief * * *** shall have twenty-one (21) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The grievant and/or representative shall have the opportunity, if desired, to present to the Fire Chief the position regarding the grievance.
- (c) The City and Association may mutually agree to waive steps 1 and 2 and proceed directly to hearing by the Committee when the issue is one over which the grievant's supervisor or **Fire Chief * * *** has no jurisdiction.
 - (1) If the grievant is not satisfied with the decision of the **Fire Chief, * * *** the grievant may within nine (9) calendar days after receipt of the written reply, file a request for a review of the **Fire Chief's * * *** decision to the Grievance Advisory Committee.

DUES DEDUCTION

A. GENERAL

1. Except as expressly modified herein, the procedures governing dues deductions, agency shop, hold harmless obligations, religious and conscientious objections, and financial reporting requirements, shall be as provided in Government Code Section 3502.5, as the same may be amended from time to time.
2. Any appeal of a termination resulting from the application of this Section shall be processed in accordance with the provisions of the FMC.

B. DUES CHECK-OFF

Rules governing dues check-off are set forth in FMC Section **3-620**, * * * as the same may be amended from time to time.

2. If a member in the Unit desires the City to deduct dues or benefit premiums from the member's paycheck, a deduction authorization shall be made upon a Dues Deduction Authorization card.
3. The service fee shall consist of, and not exceed, the standard initiation fee, periodic dues, and general assessments of the Association for the duration of this MOU. The Association shall not require a non-member of the Association to make any payment to a Political Action Committee, nor shall the Association include as a part of the service fee any amount to be used for political purposes.
4. In the event an employee covered hereunder does not authorize deduction of either Association dues or a service fee from the employee's paycheck and does not make such payment directly to the Association, the Association shall provide a certification, signed by the Association President, to the City of such failure. Prior to such certification, the Association shall notify the employee of its intent to provide certification to the City, and give the employee an opportunity to respond within thirty (30) days. Certification shall be in the form of a letter from the Association to the City. Such failure by an employee shall constitute grounds for termination by the appointing authority.

5. A Dues Deduction Authorization card may be revoked by a member in the Unit, and the dues or benefit deduction canceled, only during the months of November and December of any year.

If an Association member in the Unit desires to revoke a dues deduction authorization card, a dues deduction revocation shall be made upon a Dues Deduction Revocation card.

Dues Deduction Authorization and Revocation cards are available at the Finance Department, Payroll **Section** and the Personnel **Services** Department.

6. Upon written authorization by a retired member of the Association, the City shall deduct Association deductions, credit union deductions and benefit fund deductions from the retirement check of such retired member and forward such deductions as designated, within 14 days.

1. The Association member's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues deduction authorized. When a member is a nonpay status for an entire pay period, no dues deduction shall be made from future earnings to cover that pay period, nor will the member be required to deposit the amount which would have been deducted if the member had been in a pay status during the pay period. In the case of a member who is a nonpay status during only a part of the pay period and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made.

D. DUES DEDUCTION CHECK

- (a) **Effective July 1, 2008**, employees shall accrue * * * **twenty-four (24) hours of vacation leave for each completed calendar month of employment. Using the 1.5 conversion factor, this is equal to sixteen (16) hours of leave per month for forty (40) hour employees.** (The accumulation of unused vacation leave shall not exceed * * * **576** hours which amounts to vacation accrued in a two year period of time.)
- (b) No employee's vacation accumulation shall cease due to refusal by the City to grant vacation leave prior to the employee reaching the vacation accumulation limit applicable to the employee's position and length of service. In the event an employee requests in writing vacation leave one (1) month prior to the month in which the limit would be reached, and such request is refused, the Fire Chief or designee shall extend the employee's accumulation limit for ninety (90) days during which time the employee shall be scheduled for vacation leave sufficient to reduce the employee's balance below the accumulation limit.

3. Administrative Leave

* * * **Battalion Chiefs** shall receive 72 hours of administrative leave effective July 1 of each fiscal year. Upon their employment by the City, newly appointed employees shall be credited with six (6) hours of administrative leave for each full calendar month remaining in the fiscal year. Employees provisionally appointed shall receive six (6) hours of administrative leave for each full month of such provisional appointment. Employees may receive payment during the fiscal year only for the 72 hours of base administrative leave not taken. Any administrative leave not taken at the end of the fiscal year shall not carry over to the next fiscal year.

Deputy Chiefs shall receive ninety (90) hours of administrative leave effective July 1 of each fiscal year. Using the 1.5 conversion factor this is equal to sixty (60) hours per year for 40-hour employees. Upon their employment by the City, newly appointed Deputy Chiefs shall be credited with seven and one-half (7.5) hours of

administrative leave for each full calendar month remaining in the fiscal year. Deputy Chiefs provisionally appointed shall receive seven and one-half (7.5) hours of administrative leave for each full month of such provisional appointment. Deputy Chiefs may receive payment during the fiscal year only for the ninety (90) hours of base administrative leave not taken. Any administrative leave not taken at the end of the fiscal year shall not carry over to the next fiscal year.

The Fire Chief may grant up to an additional thirty-two (32) hours Administrative Leave to Fire Deputy Chiefs and Fire Battalion Chiefs based on an annual job performance evaluation, as outlined in Article VII, Section N. The determination by the Fire Chief to grant administrative leave shall be made at the time the annual performance evaluation is completed, and credited to the employee the following July 1st. The additional thirty-two (32) hours administrative leave shall be credited during July of the fiscal year in which it must be taken. In determining the number of additional hours to be awarded, the Fire Chief shall also consider the employee's extended work hours and attendance.

- a. The additional administrative leave granted cannot be cashed in by employees.
- b. Employees not otherwise eligible for administrative leave who are provisionally appointed to permanent positions in classes eligible for administrative leave, and new employees, shall not be granted any part of this administrative leave.

Family Sick Leave shall be used only for those purposes defined in the California Labor Code. * * *

H. DEFERRED RETIREMENT OPTION (DROP)

1. * * * **A** member of this Unit who enters Deferred Retirement Option Plan (DROP) shall have an amount equal to 50% of the number of the employee's remaining unused sick leave balance credited toward the computation of retirement benefits based on a fifty-six (56) hour workweek as if it were a one-time payment on the base rate of pay in effect at the time the option is exercised by the employee. Upon entering DROP, the employee will be required to make a corresponding pension contribution on this amount.

* * *

2. **The parties agree to reopen the meet and confer process upon request by the Association to discuss Retirement Enhancement Options if the City and Unit 4, Non-Management Police, or Unit 5, Non-Management Fire, or Unit 9 Management Police, agree to retirement enhancement options. J. HEALTH REIMBURSEMENT ARRANGEMENT (HRA)

* * *

At separation from permanent employment with the City of Fresno by service retirement or at disability retirement if the employee is otherwise eligible for service retirement, the value of the employee's accumulated sick leave shall be

credited to an account for the employee under the **Health Reimbursement Arrangement (HRA)**. Such "value" shall be determined as follows:

- The number of accumulated sick leave hours in excess of 240 hours at the time of retirement multiplied by 40% of the employee's then current hourly base rate of pay pursuant to the eligibility criteria as set forth in the Retirement Attendance/Health Incentive provision in Section I, and
- Hourly base rate of pay for 40 hour work week employees shall be the equivalent of the base monthly salary for an employee as provided in this MOU, multiplied by twelve (12) months then divided by 2,080 hours.
- Hourly base rate of pay for 56 hour work week employees shall be the equivalent of the base monthly salary for an employee as provided in this MOU, multiplied by twelve (12) months then divided by * * * **2,912** hours.

The HRA accounts shall be book accounts only – no actual trust account shall be established for any employee. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive) but not to be below zero.

The HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.

K. JURY DUTY AND COURT APPEARANCES

If the employee is required to report for jury duty on the day following a duty shift, the employee may be released up to one hour prior to the shift's end, if necessary, to assure timely attendance at jury duty. Employees in this Unit shall not be required to refund to the City any mileage reimbursement received as a result of jury duty.

With the approval of the Fire Chief or designee, an employee may attend to Association or other personal matters by providing the City an off-duty employee of like rank to work for such absent employee. The City shall incur no additional liability due to such replacement nor shall the City assume any responsibility regarding "pay back" of such time. It shall be the duty of the employee to arrange for replacement and secure required approval not less than ten hours in advance of the requested absence. In cases of tardiness, the ten hour notice requirement will be waived. In the event of an emergency, the ten hours notice may be waived with approval of the Fire Chief or designee. Should an employee become ill while working an AWR, as outlined by Department policy, the employee shall make a diligent attempt to secure a replacement with an AWR. An ill employee becoming ill while working an AWR is eligible to use earned holiday or vacation leave to replace the AWR. Use of accumulated vacation and/or holiday leave, when an employee's sick leave is exhausted, is prohibited unless approved by the Fire Chief. An employee becoming ill between 2000 and 0800 hours is eligible use earned sick leave to replace the AWR. Such approval shall not be unreasonably withheld. An employee requesting approval of an AWR shall submit a document by which the substitute employee assigns to the City an amount of the employee's salary equal to the salary which will accrue to the requesting employee during the absence. Such assignment shall be executed by the City solely for that portion of the requesting employee's shift which the substitute employee fails to work for any reason. In such event, the failure by the replacement employee to report or remain for duty shall not result in any loss of compensation to the requesting employee. No loss of compensation shall occur if the replacement provides a substitute employee of like rank during the absence. Approved AWR's shall not be revoked by the City.
2. No employee shall take an AWR for the purpose of other employment, self-employment included.
3. AWR's are governed by Fresno Fire Department * * * **Administrative Manual 101.2, Constant Staffing Policy**, and may be modified by mutual agreement of the parties.

shift, after the employee leaves work as a result of the injury or illness. However, this waiting period shall be waived and compensation shall begin on the first day of a work related injury or illness only if:

- (1) the employee is hospitalized as an inpatient for at least twenty-four (24) hours; or,

3. At the employee's option, in the event work related injury/illness pay from the City is not provided during the first three (3) days of absence, or by the second twenty-four (24) hour shift, due to the work related injury or illness, the employee may take sick leave, vacation, **or holiday leave** * * * for that period.
4. If the employee opts to use sick leave, vacation, **or holiday leave** * * * for the first three (3) days, or by the second twenty-four (24) hour shift, and it is later determined that work related injury/illness pay under paragraph 1.(a), above, beginning on the first day of a work related injury or illness is appropriate, the leave time shall be restored to the * * * **employee** and the * * * **employee's** pay or leave balance will be adjusted accordingly.
5. If the employee is placed on sick leave, vacation, **or holiday leave** * * * pending determination as to whether the injury or illness is industrial, and the injury or illness is determined to be industrial, sick leave, vacation, **or holiday leave** * * * shall be restored within thirty (30) calendar days of such determination provided that the employee has submitted all necessary documents relevant to their Workers' Compensation claim, and the employee placed on work related injury/illness leave as provided herein.

The parties agree that such meet and confer is limited to the provisions of Article VII, Section M and that it does not constitute a reopener of the entire MOU. * * ***
9. Notwithstanding the provisions of the FMC, for the first sixty (60) days of absence in any fiscal year, benefits, including but not limited to holiday leave accumulation and uniform allowance, shall continue to accrue.

The results of an employee's annual performance evaluation rating are final and are not subject to an appeal process.

O. SUPPRESSION SERVICE DELIVERY

The City intends for the members of this Unit to be the management providers of fire suppression to the City of Fresno. This does not preclude instant aid agreements, reciprocal or non-reciprocal aid agreements, or other interim measures to accomplish this intent, nor is it intended to restrict the ability of the City to determine the mission of its Fire Department.

3. Workweek schedules are established by the department/divisions based upon the need to provide service to the public/other city departments.

For 5/8, **9/80** and/or 4/10 schedules, position assignments by classification, staffing levels, workweek schedules, and days off are determined solely by management, and are subject to change based on varying workload, the addition of authorized staffing, and department operational and service needs.
 - (a) Employees temporarily/permanently assigned to perform administrative tours of duty are assigned by management to a 5/8, **9/80** or 4/10 workweek schedule, or combination thereof. **Agreement between
City of Fresno**

and

Employee Organizations Representing City of Fresno Employees

This agreement was reached in an effort to lower the current cost of the monthly health contribution rates between March 1, 2009 and June 30, 2010 as set by the Fresno City Employees Health and Welfare Trust (Trust) thereby assisting to ameliorate fiscal developments faced by the City of Fresno (City). The agreement also provides short term guarantees by the City for the unencumbered reserve of the Trust while setting a long term minimum of four (4) months for the Trust unencumbered reserve. This agreement sets forth the full and entire understanding of the City and Bargaining Units whose representatives have signed this agreement regarding these matters. This Agreement is effective March 1, 2009 and will remain in force so long as the Trust agrees to maintain a health contribution rate that is calculated to maintain a minimum of a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust (actuary).

1. This agreement will be effective only if the provisions below affecting the Trust are approved by a majority of affected represented bargaining units and the City Council and if the Trust sets a monthly health contribution rate of seven hundred twenty-nine dollars (\$729) effective March 1, 2009 through June 30, 2010.
2. The parties agree that, for the period March 1, 2009 through June 30, 2010, if the Trust unencumbered reserve falls below a four (4) month unencumbered reserve as calculated by the actuary selected by the Trust for two (2) consecutive months, the City will pay to the Trust an amount sufficient to restore the level of the Trust unencumbered reserve to four (4) months.
3. The restoration to a four (4) month unencumbered reserve must occur within 30 days notice to the City by the Trust's third party administrator. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
4. Effective June 30, 2010 if the Trust unencumbered reserve is calculated by the actuary selected by the Trust to be less than a four (4) month unencumbered reserve, the City will pay an amount to the Trust sufficient to restore the level of the unencumbered reserve to four (4) months. This payment by the City shall not be utilized in the calculation of the amounts due by the City and employees for established Trust health contribution rates.
5. The parties agree that, for the monthly health contribution rate effective July 1, 2010 and for all subsequent monthly health contribution rates, the Trust will set a monthly health contribution rate not less than the rate calculated by the actuary

selected by the Trust necessary to maintain a minimum unencumbered reserve of four (4) months.

6. The parties will support amendments to the Trust necessary to implement this agreement.
